**Pastor Steve  
Cordes**

Faith Lutheran Church has experienced a great loss with the passing of our pastor, Steve Cordes. Our prayers and thoughts remain with Karen, Austin and Steve's extended family.

We are all extremely grateful to everyone who has done "extra duty," first during Steve's hospital stay, and then following his passing. We are fortunate to have Pastor Bill Hempel providing pastoral services and leading worship. Pastor Hempel was chosen by Steve to be both his personal pastor and to fill in for him during his planned absence through the end of the year.

Let me share a few simple observations I've made about Steve over the years. He used to say that if he were no longer a pastor, he would want to model for others how a lay person could be a vital part of a congregation. He didn't like the part of the confession and absolution that singled him out as a called and ordained minister, and he always changed "your sins are forgiven" to "our sins are forgiven." One of Steve's favorite festivals was All Saints Day, and he always asked us to think about those who nurtured us in the faith.

I doubt there's anyone who spent time with Steve who wouldn't count him very high up on that particular list. In September's newsletter, Steve shared some of his thoughts regarding his recently diagnosed illness. His advice seems appropriate also for the current situation: "...so many have asked what you might do. First and foremost, I ask that you simply be yourself. Believe me, I know first-hand how difficult it can be to want to say the right word or do the right thing. Even pastors worry about such matters. Such concerns can make it difficult to say or do anything at all. Please, just be yourself. I plan to be myself, so you do the same. Be yourself, no more, no less. I promise; we'll do just fine." Steve said a lot more in that commentary. I invite you to revisit it. The newsletter is archived on the church's website.

I'll end with a prayer from our worship book: "Eternal God, your love is stronger than death, and your passion more fierce than the grave. We rejoice in the lives of those whom you have drawn into your eternal embrace. Keep us in joyful communion with them until we join the saints of every people and nation gathered before your throne in your ceaseless praise, through your son Jesus Christ our Lord. Amen."

## **OUR FAITH at WORK**

Our mission for the month of December will be in support of Albany Maritime Ministry.

The Albany Maritime Ministry is an ecumenical group of volunteers who offer a warm welcome to seafarers that dock at the Seafarers Center in the Port of Albany.

Most seafarers they greet have been at sea for weeks or months. They face many challenges, such as isolation, separation from family, hard labor and sometimes human rights violations. Relief and support is given by:

Welcoming them on their ships.

Addressing their spiritual, family and material needs.

Offering special programs such as Christmas-at-Sea.

Advocating for their rights.

Collaborating with agencies worldwide.

Your continued support for this Ministry is greatly appreciated.

***Carol Perrott, Missions***

Pat Turcotte and I are happy to accept your donation in person, OR you may choose to place your envelope (provided in the back of church) in the church offering plate. Please let us know if you are able to help with shopping or distribution. Help is always welcome and most appreciated.

### **JOIN A WINNING TEAM The Eddy Visiting Nurse Association Care Team**

The Eddy Faith in Action Care Team Program was formed 11 years ago from Faith – based communities in this area. It is a great fit for those with busy life styles.

## **What is a Care Team?**

Quite simply, it's a team of 1-7 caring individuals who provide practical and helpful

non-medical support and friendship to someone in your community.

Care Team members provide transportation to appointments, run errands, prepare a meal, bake a special treat, make phone calls, and home visits.

Care Teams celebrate birthdays and make holidays brighter for someone with little or no family support.

Teams are needed for young and middle aged adults in your area with MS, Parkinson's, Huntington's, Chorea, HIV/AIDs, as well as other disabilities.

Also, we have senior citizens who would love a home visit or enjoy getting out for lunch, shopping, or attend a community event.

The great thing about joining a Care Team is that you pick the kind of help you want to give and do it at a time that fits your schedule.

If interested contact JOAN at 386-3631 or [Joan.laviolette@sphp.com](mailto:Joan.laviolette@sphp.com)

**We would love to put your congregation on our register today.**
